

Why Should I Work with NHF ?

-
- New Horizons Foundation has assembled a team of leading experts in technology development and commercialization.
 - New Horizons has the contacts to effectively navigate the Federal Labs.
 - New Horizons will be able to find the right Lab for the problem.
 - New Horizons has already pre-negotiated the engagement with the U.S. Army Research Laboratories [representing over \$3 billion in annual Research expenditures].
 - The outcomes are pre-determined. You know what you are getting and for how much.
